

**AGREEMENT BETWEEN
THE LOS ANGELES PUBLIC LIBRARY
AND
URBAN ALCHEMY
TO PROVIDE
MENTAL HEALTH SERVICES AND/OR SOCIAL SERVICES**

This Agreement is entered into by and between the City of Los Angeles (hereinafter "City"), a municipal corporation, acting by and through its Board of Library Commissioners (hereinafter "Board" or "Library"), and Urban Alchemy, a California Non-Profit Corporation (hereinafter "Contractor"). Library and Contractor may be referred to herein individually as a "Party" or collectively as the "Parties".

WHEREAS, on January 27, 2022, the Board approved the release of a Request for Qualifications (RFQ) to provide Mental Health Services and/or Social Services at the Library (Library Resolution No. 2022-7); and

WHEREAS, the RFQ was released on February 18, 2022, with a proposal due date of May 18, 2022; and

WHEREAS, addendum No. 1 to the RFQ was released on April 5, 2022, and revised the due date for the proposal to June 30, 2022, and changed the Mandatory Pre-Proposal Conferences date to May 18, 2022; and

WHEREAS, addendum No. 2 to the RFQ was released on May 27, 2022, and revised the due date for proposals to July 14, 2022, and scheduled an additional Mandatory Pre-Proposal Conference for June 15, 2022; and

WHEREAS, on October 13, 2022, the Board authorized staff to repost the RFQ with a rolling submission due date of no later than December 6, 2022, to allow qualified organizations that were unable to meet the first deadline an opportunity to be considered and allow staff to present contract award recommendations to the Board as the proposals are submitted, reviewed, and evaluated (Library Resolution No. 2022-36 [C-30]); and

WHEREAS, on October 14, 2022, Library staff reposted the RFQ and Contractor submitted a proposal. Library staff reviewed the proposal and found it to be responsive to the RFQ submittal requirement; and an evaluation panel of Library employees determined Contractor to be qualified to perform the proposed services; and

WHEREAS, on November 10, 2022, the Board approved the award of a contract to Contractor for a term of five years in an amount not to exceed \$860,267 per fiscal year (July 1 – June 30); and

WHEREAS, on November 10, 2022, the Board found, in accordance with Charter Sections 371(e)(10) and 1022, and Los Angeles Administrative Code Section 10.15(a)(10), that the services to be provided are professional, expert, and technical services of a temporary and occasional nature, and that it is more feasible to have this work performed by an independent contractor than by City employees; and

20.0 NON-EXCLUSIVE AGREEMENT

Nothing in this Agreement shall be construed to mean that the Contractor providing services to the Library shall be the exclusive provider of such services. The Library retains the right to engage the services of and purchase materials from other contractors during the term of this Agreement, and therefore the Library cannot estimate or guarantee the volume or amount of work to be received by Contractor under this Agreement.

21.0 BORDER WALL BID DISCLOSURE

Contractor shall comply with Los Angeles Administrative Code (“LAAC”) Section 10.50 *et seq.*, “Disclosure of Border Wall Contracting.” Library may terminate this Contract at any time if Library determines that Contractor failed to fully and accurately complete the required affidavit and disclose all Border Wall Bids and Border Wall Contracts, as defined in LAAC Section 10.50.1. STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-9. Termination

A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
 - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
- 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
- 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC-11. Contractor's Personnel

The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

At **CITY’S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.

- 1. Additional Insured/Loss Payee.** The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.
- 2. Notice of Cancellation.** All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.
- 3. Primary Coverage.** CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.
- 4. Modification of Coverage.** The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

- 6. Workers' Compensation.** By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. A. PURPOSE OF REQUEST FOR QUALIFICATIONS

1. Introduction

The Los Angeles Public Library (LAPL) is issuing this Request for Qualifications (RFQ) to establish a list of qualified individuals or entities to provide mental health services and/or social services on an as-needed and as-requested basis. The services will be provided during open library hours at the Central Library or 72 branch libraries located throughout the City of Los Angeles (See Attachment E for list of library locations).

LAPL has embarked on a mission to reimagine security and safety at the Central Library and the 72 branch libraries and to provide outreach to the City's most vulnerable residents through the use of alternatives to traditional law enforcement. Contracts resulting from this RFQ will be an integral part of fulfilling that mission.

2. About the Library

Libraries are vibrant community centers with programs that turn young children into life-long readers, inspire teens to set career goals, and help adults enrich their lives. Annually, over 15 million people visit our libraries and participate in over 2,000 programs, borrowing over 15 million items from the collections of print, downloadable books, music, films and other items. Annual visits to our website exceeds 22 million.

Through its Central Library, the 72 branch libraries and website (www.lapl.org), LAPL provides free and easy access to information, ideas, books and technology that enrich, empower and connect every individual in our city's diverse communities.

3. Program Overview

Previously, LAPL established the Safety and Security Project to gather LAPL staff input and provide recommendations on what a safer and more welcoming library would look like. One of the reoccurring concerns was the need for alternatives to traditional law enforcement, specifically the need to assist troubled residents and connect them to the appropriate resources.

In Fiscal Year 2020-21, LAPL created the Library Experience Office (LibEx) to oversee LAPL safety and security. One aspect of this is the development and implementation of alternatives to traditional law enforcement, including:

Social Workers

The library is in the process of hiring Social Workers to engage with patrons who are in need of services such as housing, mental health, primary care, and substance abuse. The Social Workers will provide referrals to community service groups and available social programs; collaborate with local community groups, contracted agencies and other municipal agencies to identify and secure resources; and to promote awareness of available resources to library patrons.

Library Ambassadors

The library is in the process of establishing positions and hiring staff to act as Library Ambassadors to provide a more welcoming and safer library experience for patrons. The Library Ambassadors will greet patrons; answer basic questions about the library; engage patrons; de-escalate potential problems; encourage safe behavior; assist with programs and outreach efforts; and develop long-term solutions to address and prevent serious incidents.

Staff Training

The library is currently developing and identifying training programs to develop library staff in areas such as enhanced customer service, de-escalation, identifying social service needs and the availability of community-based programs for library patrons.

Social Service Outreach Contracts

This RFQ will allow experienced entities to provide mental health services and social services at the Central Library and 72 branch libraries; to promote awareness of available resources, provide training to LAPL staff; and identify social services needs and services available to those in need.

It should be noted that LAPL will continue to use the services of the Los Angeles Police Department (LAPD) to respond to emergencies and provide support during evacuations. This also includes the use of LAPD Security Officers and contract security guards for physical security needs, such as: ensuring all doors, windows and badge readers function properly, opening and closing buildings, provide fire-watches for branch libraries when fire or security systems are non-operational, and provide security for events and filming on library property.

B. SERVICES REQUIRED BY LIBRARY

Proposers selected by this RFQ to become Contractors must be able to provide mental health services and/or social services to meet the needs of patrons and LAPL. Proposers must have a minimum of three (3) years paid experience in working directly with people experiencing mental health issues, substance abuse issues, housing insecurity; linking patrons with the services they need; and/or helping patrons address the causes and consequences of their mental health issues, substance abuse issues, or housing insecurity.

F. EVALUATION AND SELECTION PROCESS

1. Proposal Responsiveness

To be considered responsive to this solicitation, Proposers must submit completed responses to all items requested in this RFQ, including completed responses to the City's mandatory City contract compliance documents. Proposers are encouraged to utilize and submit the Proposer Checklist provided in Section H of this RFQ. Failure to include

satisfactory responses to each proposal item may result in the rejection of such proposals as non-responsive.

2. Proposal Evaluation

A panel of City staff and subject-matter experts will evaluate the proposals as described in this RFQ. Proposals deemed non-responsive will be disqualified and will not be evaluated. The review panel may request additional information to clarify a submitted proposal. The LAPL also reserves the right to waive any informality in a proposal when to do so would be to the advantage of the City and its taxpayers.

The review criteria will include: proposal quality and responsiveness to the criteria identified in this RFQ; experience and capabilities of assigned staff; Proposer experience and resources; compliance with City policies; and fees and expenses. The LAPL reserves the sole right to judge the contents of all proposals. Proposals, which at the discretion of the LAPL are incomplete and/or do not follow content and format guidelines, may be disqualified without further consideration.

To further assess the strengths and capabilities of a Proposer, the LAPL, at its sole discretion, may choose to conduct interviews and request oral presentations to provide additional information regarding qualifications. Such interviews may be reviewed and included as part of the proposal evaluation process.

Proposers bear the responsibility to ensure that the RFQ responses provide adequate and appropriate information and documentation for the LAPL to evaluate the responses relative to Proposer capabilities, strength of individuals performing project tasks, and proposed fees and expenses. Lack of adequate information and documentation may result in the proposal failing the evaluation criteria and being disqualified.

3. Evaluation Criteria

A selection committee composed of LAPL and other appropriate personnel will evaluate each proposal and the following criteria will be used in evaluating proposals and selecting the successful proposers.

Evaluation Criteria	Meets RFQ Requirements
Qualifications and Experience requirements	Pass / Fail

Proposers may appeal procedural issues only.

The procedure and time limits set forth in this section are mandatory and are the Proposers' sole and exclusive remedy in the event of a protest. Failure by a party originating a protest to comply with these procedures shall constitute a waiver of any right to further pursue the protest, including filing a Government Code claim or legal proceedings. At a minimum, any written protest document must include the following:

- Name, address, and telephone number of the protesting party.

- Detailed statement of the legal and factual grounds of the protest, including copies of all relevant documents; and, reference to the specific portion of the documents that form the basis of the protest.

The City Librarian, or designee, shall make a final determination with respect to the protest and shall award or reject the contract accordingly. The decision of the City Librarian, or designee, shall be final.

A. PURPOSE OF REQUEST FOR QUALIFICATIONS

1. Introduction

The Los Angeles Public Library (LAPL) is issuing this Request for Qualifications (RFQ) to establish a list of qualified individuals or entities to provide mental health services and/or social services on an as-needed and as-requested basis. The services will be provided during open library hours at the Central Library or 72 branch libraries located throughout the City of Los Angeles (See Attachment E for list of library locations).

LAPL has embarked on a mission to reimagine security and safety at the Central Library and the 72 branch libraries and to provide outreach to the City's most vulnerable residents through the use of alternatives to traditional law enforcement. Contracts resulting from this RFQ will be an integral part of fulfilling that mission.

2. About the Library

Libraries are vibrant community centers with programs that turn young children into life-long readers, inspire teens to set career goals, and help adults enrich their lives. Annually, over 15 million people visit our libraries and participate in over 2,000 programs, borrowing over 15 million items from the collections of print, downloadable books, music, films and other items. Annual visits to our website exceeds 22 million.

Through its Central Library, the 72 branch libraries and website (www.lapl.org), LAPL provides free and easy access to information, ideas, books and technology that enrich, empower and connect every individual in our city's diverse communities.

3. Program Overview

Previously, LAPL established the Safety and Security Project to gather LAPL staff input and provide recommendations on what a safer and more welcoming library would look like. One of the reoccurring concerns was the need for alternatives to traditional law enforcement, specifically the need to assist troubled residents and connect them to the appropriate resources.

In Fiscal Year 2020-21, LAPL created the Library Experience Office (LibEx) to oversee LAPL safety and security. One aspect of this is the development and implementation of alternatives to traditional law enforcement, including:

Social Workers

The library is in the process of hiring Social Workers to engage with patrons who are in need of services such as housing, mental health, primary care, and substance abuse. The Social Workers will provide referrals to community service groups and available social programs; collaborate with local community groups, contracted agencies and other municipal agencies to identify and secure resources; and to promote awareness of available resources to library patrons.

Library Ambassadors

The library is in the process of establishing positions and hiring staff to act as Library Ambassadors to provide a more welcoming and safer library experience for patrons. The Library Ambassadors will greet patrons; answer basic questions about the library; engage patrons; de-escalate potential problems; encourage safe behavior; assist with programs and outreach efforts; and develop long-term solutions to address and prevent serious incidents.

Staff Training

The library is currently developing and identifying training programs to develop library staff in areas such as enhanced customer service, de-escalation, identifying social service needs and the availability of community-based programs for library patrons.

Social Service Outreach Contracts

This RFQ will allow experienced entities to provide mental health services and social services at the Central Library and 72 branch libraries; to promote awareness of available resources, provide training to LAPL staff; and identify social services needs and services available to those in need.

It should be noted that LAPL will continue to use the services of the Los Angeles Police Department (LAPD) to respond to emergencies and provide support during evacuations. This also includes the use of LAPD Security Officers and contract security guards for physical security needs, such as: ensuring all doors, windows and badge readers function properly, opening and closing buildings, provide fire-watches for branch libraries when fire or security systems are non-operational, and provide security for events and filming on library property.

NOTICE

On October 13, 2022, the Board of Library Commissioners authorized staff to repost the Request for Qualifications for Mental Health Services and/or Social Services (RFQ), previously approved by the Board on January 27, 2022, and include a rolling submission due date of December 6, 2022, to find additional qualified entities to provide mental health services and or social services to assist Library patrons.

Proposers to the RFQ are not required to wait until the due date to submit a proposal. As proposals are submitted, Library staff will review and evaluate and submit proposals that are found responsive to the instructions found in the RFQ to the Board for consideration to award a contract.

B. SERVICES REQUIRED BY LIBRARY

Proposers selected by this RFQ to become Contractors must be able to provide mental health services and/or social services to meet the needs of patrons and LAPL. EXECUTIVE SUMMARY

LA Public Library Mental Health and/or Social Services

Urban Alchemy is pleased to offer the City of Los Angeles Public Libraries, this proposal for qualifications to deliver Mental Health and Social Services in the Los Angeles Public Library System.

In the Fall of 2020, Urban Alchemy completed a pilot program funded by the Los Angeles Public Library Foundation where we delivered Community Engagement and Outreach at the Frances Howard Goldwyn – Hollywood Regional Library.

On February 19, 2022, The City of Los Angeles Public Library put out a Request for Qualification for to provide mental health services and social services at the Central Library and the branch library facilities on an as needed basis.

Urban Alchemy is qualified and prepared to provide all services required by the Los Angeles Public Library as listed in the RFQ including all direct services, support, and connections provided to library patrons and training and support opportunities for library staff and volunteers. Urban Alchemy can provide these services in all six library areas across the city. Urban Alchemy requests to begin service in communities in which Urban Alchemy is already providing engagement and outreach services to people experiencing homelessness. These areas include the Hollywood Area, the Western Area, and the Central Southern Area. In the coming months, Urban Alchemy will also be expanding our engagement and outreach services to the Northeast Area and the East Valley Area.

Urban Alchemy has been providing Community Engagement and Outreach Services since 2017 when Practitioners began engaging in public space in the UN Plaza and Civic Center of San Francisco through a contract with the San Francisco Department of Public Works. Urban Alchemy continues to refine and mature the quality and sophistication of this work. Starting in 2020, during the pandemic, Urban Alchemy added Care Coordination to its list of qualifications and services provided to its contract partners. Care Coordinators offer unhoused neighbors support through mental health support and case management. This service is provided through both Interim Housing projects (like Gough Safe Sleeping Village in San Francisco and Westlake Tiny Home Village in Los Angeles) and Community Engagement and Outreach projects (like the CEO teams currently working in CD9, CD13, and CD14 in Los Angeles, the CIRCLE program in Los Angeles, and the Tenderloin Midmarket Community-led Safety Initiative.) Urban Alchemy's Community Engagement and Outreach Department includes the ability to work in the local Homeless Management Information System (HMIS) for the local Continuum of Care agency.

All the prospective practitioners for the Los Angeles Public Library Program, like all Urban Alchemy Practitioners, will receive training through Urban Alchemy Academy. The Urban Alchemy Academy consist of training courses that include Orientation, De-escalation 101, Trauma Informed Care, Trauma Informed with Unhoused Neighbors, Effective Communication, Safety and Service, Motivational Interviewing, amongst other valuable trainings that support Practitioners and Care Coordinators alike to connect with community.

Urban Alchemy is qualified and prepared to adapt and develop these trainings for LAPL staff and volunteers. Urban Alchemy has grown, our leaders and training department frequently are asked to provide workshops for different constituency groups including department leaders and staff as well as community groups. Urban Alchemy looks forward to supporting the Los Angeles Public Library with these services as well.

Through lived experience and Urban Alchemy training, Practitioners and Care Coordinators are uniquely positioned to serve societies most in need. Emotional Intelligence that Practitioners possess allow them to safely assess and address situations and build relationships and trust. Making connections and building relationships with the community establishes credibility and allows Urban Alchemy to de-escalate high risk situations, negotiate negative behaviors, and bring a sense of calmness to chaotic spaces. Urban Alchemy has experience initiating outreach, doing assessments, and entering information through HMIS to make housing referrals for people experiencing homelessness that they engage.

In this RFQ, we will lay out further Urban Alchemy's experience and some of the key personnel to make the work we do possible. We are also going to share some of the projects that we currently have the privilege to be working on, a fee summary, pertinent references, and all the required documentation to further establish that we are qualified to deliver Mental Health and/or Social Services throughout the Los Angeles Public Library System.

STATEMENT OF QUALIFICATIONS & EXPERIENCE

Urban Alchemy harnesses the skills and energy of individuals who were incarcerated and/or have lived experience to transform people and places through respect and compassion. We provide services and engagement to heal communities challenged by the intersection of extreme poverty, mental illness, addiction, and homelessness. When individuals are suffering in our public spaces, Urban Alchemy offers solutions. When a neighborhood, street, or intersection earns a reputation as a place to avoid, we turn it around. Urban Alchemy staff, known as Practitioners, create a peaceful and supportive presence, helping our communities rebuild a sense of pride one person at a time.

Urban Alchemy is a nonprofit organization founded in 2018. We quickly grew from a small program in San Francisco to a thriving social enterprise with 1,200 staff, a \$56 million budget, and operations in multiple cities. Urban Alchemy offers four core services designed to meet the needs of the people and places in the communities we work: 1. *Community Engagement and Outreach* (CEO) includes calming neighborhoods and public spaces by forming bonds with residents, promoting positive behavior, and connecting people to services. This work includes placing homeless outreach workers and/or community engagement specialists in neighborhoods we serve. Urban Alchemy also provides first-responders to non-emergency 911 calls related to homelessness, mental health, and addiction in Los Angeles through our CIRCLE and CEO projects; 2. *Interim Housing* includes the operation of safe camping, safe parking, tiny home villages, hotels, and other types of client-centered, low-barrier alternatives to sleeping in public spaces; 3. *Hygiene Services* include providing and monitoring safe, clean, and welcoming public bathrooms and mobile showers that offer dignity to those in need while improving public health; and 4. *Street Cleaning* includes the removal of garbage and debris from streets and other public spaces, restoring a sense of pride to neglected communities.

While these four services are critical to our mission, the real alchemy is in relationships we build. The brooms, toilets, and showers are props for positive engagements that help heal people and places. We believe the best individuals to facilitate this healing are those who understand what it means to harm a community. Most Urban Alchemy employees, including management, experienced long-term incarceration. When fully embraced, this life experience, and the difficult inner work it requires, holds the possibility of producing people with extraordinary emotional intelligence, exceptional social skills, and unique leadership qualities. Employers aren't bending over backwards to hire returning citizens, but at Urban Alchemy their skills are sought-after. Practitioners receive extensive training and ongoing support to help ensure their success. However, the culture at Urban Alchemy is even more important than our trainings. Ninety-one percent of our staff are BIPOC, 96% have been incarcerated, and over 30% have experienced homelessness. These shared experiences create a deep bond and a spirit of mutual support that leads to thriving employees who do excellent work that is rooted in empathy. Most Practitioners bring deep passion and commitment to their jobs because it is often their communities that are suffering the most.

The name Urban Alchemy references the process of spiritual and social transformation that our Practitioners engage in, both internally and in practice with all members of the public. Our Practitioners actively assess, engage, and serve some of the most traumatized and vulnerable individuals in our urban centers. This requires that we be impeccable with our spirit, our words, and our actions. Meeting people where they are, often takes our Practitioners to some difficult places, but they are armed with a powerful spirit that communicates caring, safety, non-judgement, and kindness. The engagements we have with our neighbors can uplift and empower people who are struggling, while providing our Practitioners the opportunity to learn and grow.

Urban Alchemy's leadership strives to create a safe and welcoming environment that respects everyone and promotes self-esteem. Nobody at Urban Alchemy needs to conceal who they are or adapt to the dominant culture – we have created our own culture that celebrates people of all backgrounds. Urban Alchemy has staff who were members of the prison gangs Nuestra Familia, the Aryan Brotherhood, and the Black Guerilla Family, that waged war against one another in prison. At Urban Alchemy they work side-by-side in service to the community. This unique environment empowers Practitioners and encourages them to respect everyone they engage with. However, diversity, equity and inclusion are critical to this work, and we do not leave it to chance. Cultural competence, addressing language barriers, and working with people of all sexual orientations and gender identities are important parts of our onboarding and training programs for staff.

Proof that Urban Alchemy's formula works can be seen in our rapid expansion and demonstrated by what we have accomplished in such a short period of time. In the last 12-months alone Urban Alchemy staff have had more than 1,000,000 engagements with our housed and unhoused neighbors. Most of these interactions are positive and enable Practitioners to create an emotional bank account which can be used to solve individual and community-wide challenges down the road.

Some of the outcomes of our work in 2021 include: 1. engaging in over 50,000 inviting space interventions and de-escalations that kept the community safe without police involvement; 2. saving the lives of hundreds of people through overdose reversals and other interventions. 3. connecting over 10,000 people to services and housing opportunities; 4. sheltering over 500 people each night in low-barrier, client-centered facilities; 5. providing over 600,000 toilet flushes and 14,000 showers for people in need; 6. Removing nearly 300 tons of trash from communities that are often neglected. 7. employing over 1,100 formerly incarcerated individuals in good paying jobs, with less than 1% returning to prison.

These statistics do not fully describe the transformative effects that Urban Alchemy has on the staff we employ, people we serve, and communities we heal. Please visit <https://youtu.be/OqXlknXd0LY> to see Urban Alchemy in action and <https://vimeo.com/579593519> for a video describing our work in more detail.

Deirdre Gomez, Contract Administrator
Los Angeles Public Library

Los Angeles, CA 90071

Dear Ms Gomez,

I am writing to highly recommend Urban Alchemy to the Los Angeles Public Library. My name is Steve Gibson, and I am Executive Director of the Mid-Market Business Association and Mid-Market Foundation in San Francisco.

Through my work with the Office of Economic and Workforce Development for the City and County of San Francisco, I have managed grant oversight of a contract with Urban Alchemy called the Tenderloin/Mid-Market Community Based Safety Program. The program has been in development since 2019. For FY23, the Foundation has received a \$20,000,000 grant from the City/County of San Francisco for our safety program. Urban Alchemy is at the core of our program and will employ more than 250 practitioners who will provide a calming presence, service connections, and de-escalation support to challenged individuals throughout the entire Mid-Market and Tenderloin area.

I have worked closely with Urban Alchemy over the past 3 years. I highly recommend Urban Alchemy to you to provide similar services to the libraries and library staff of Los Angeles.

Please feel free to contact me if you have any follow up questions.

Sincerely,

Deirdre Gomez, Contract Administrator
Los Angeles Public Library
630 W 5th Street
Los Angeles, CA 90071

Dear Ms. Gomez,

I am writing to recommend Urban Alchemy as a competent and professional service provider with people and for spaces at the intersection of homelessness, mental illness, and addiction

My name is Daniel Cooperman, and I am Senior Manager of Social Service Partnerships for Bay Area Rapid Transit.

BART has been contracting with Urban Alchemy since 2018. Currently Urban Alchemy practitioners serve as elevator attendants in 4 of our highest volume stations in San Francisco. Urban Alchemy's presence in and around the elevators makes it possible for the public to use the elevators safely, especially individuals who use wheelchairs or parents with young children in strollers. Practitioners engage with the public, support our station staff as needed, and partner with the BART police when more serious incidents occur. Urban Alchemy provides monthly reports of service. The feedback I receive from station staff and the public about Urban Alchemy's service is very positive.

Urban Alchemy is a uniquely qualified group and I strongly recommend their services.

Please contact me with any questions relating to our experience with UA.

Sincerely,

Daniel Cooperman
