

**AGREEMENT BETWEEN
THE LOS ANGELES PUBLIC LIBRARY
AND
URBAN VOICES PROJECT
TO PROVIDE
MENTAL HEALTH SERVICES AND/OR SOCIAL SERVICES**

This Agreement is entered into by and between the City of Los Angeles (hereinafter "City"), a municipal corporation, acting by and through its Board of Library Commissioners (hereinafter "Board" or "Library"), and Urban Voices Project, a California Non-Profit Corporation (hereinafter "Contractor"). Library and Contractor may be referred to herein individually as a "Party" or collectively as the "Parties".

WHEREAS, on January 27, 2022, the Board approved the release of a Request for Qualifications (RFQ) to provide Mental Health Services and/or Social Services at the Library (Library Resolution No. 2022-7); and

WHEREAS, the RFQ was released on February 18, 2022, with a proposal due date of May 18, 2022; and

WHEREAS, addendum No. 1 to the RFQ was released on April 5, 2022, and revised the due date for the proposal to June 30, 2022, and changed the Mandatory Pre-Proposal Conferences date to May 18, 2022; and

WHEREAS, addendum No. 2 to the RFQ was released on May 27, 2022, and revised the due date for proposals to July 14, 2022, and scheduled an additional Mandatory Pre-Proposal Conference for June 15, 2022; and

WHEREAS, on October 13, 2022, the Board authorized staff to repost the RFQ with a rolling submission due date of no later than December 6, 2022, to allow qualified organizations that were unable to meet the first deadline an opportunity to be considered and allow staff to present contract award recommendations to the Board as the proposals are submitted, reviewed, and evaluated (Library Resolution No. 2022-36 [C-30]); and

WHEREAS, on October 14, 2022, Library staff reposted the RFQ and Contractor submitted a proposal. Library staff reviewed the proposal and found it to be responsive to the RFQ submittal requirement; and an evaluation panel of Library employees determined Contractor to be qualified to perform the proposed services; and

WHEREAS, on November 10, 2022, the Board approved the award of a contract to Contractor for a term of five years in an amount not to exceed \$860,267 per fiscal year (July 1 – June 30); and

WHEREAS, on November 10, 2022, the Board found, in accordance with Charter Sections 371(e)(10) and 1022, and Los Angeles Administrative Code Section 10.15(a)(10), that the services to be provided are professional, expert, and technical services of a temporary and occasional nature, and that it is more feasible to have this work performed by an independent contractor than by City employees; and

WHEREAS, funds are available to compensate the Contractor for services in accordance with the Agreement.

20.0 NON-EXCLUSIVE AGREEMENT

Nothing in this Agreement shall be construed to mean that Contractor providing services to Library shall be the exclusive provider of such services. The Library retains the right to engage the services of and purchase materials from other contractors during the term of this Agreement, and therefore the Library cannot estimate or guarantee the volume or amount of work to be received by Contractor under this Agreement.

21.0 BORDER WALL BID DISCLOSURE

Contractor shall comply with Los Angeles Administrative Code ("LAAC") Section 10.50 *et seq.*, "Disclosure of Border Wall Contracting." Library may terminate this Contract at any time if Library determines that Contractor failed to fully and accurately complete the required affidavit and disclose all Border Wall Bids and Border Wall Contracts, as defined in LAAC Section 10.50.1. STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-9. Termination

A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
 - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
- 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
- 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC-11. Contractor's Personnel

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

At **CITY'S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

A. PURPOSE OF REQUEST FOR QUALIFICATIONS

1. Introduction

The Los Angeles Public Library (LAPL) is issuing this Request for Qualifications (RFQ) to establish a list of qualified individuals or entities to provide mental health services and/or social services on an as-needed and as-requested basis. The services will be provided during open library hours at the Central Library or 72 branch libraries located throughout the City of Los Angeles (See Attachment E for list of library locations).

LAPL has embarked on a mission to reimagine security and safety at the Central Library and the 72 branch libraries and to provide outreach to the City's most vulnerable residents through the use of alternatives to traditional law enforcement. Contracts resulting from this RFQ will be an integral part of fulfilling that mission.

2. About the Library

Libraries are vibrant community centers with programs that turn young children into life-long readers, inspire teens to set career goals, and help adults enrich their lives. Annually, over 15 million people visit our libraries and participate in over 2,000 programs, borrowing over 15 million items from the collections of print, downloadable books, music, films and other items. Annual visits to our website exceeds 22 million.

Through its Central Library, the 72 branch libraries and website (www.lapl.org), LAPL provides free and easy access to information, ideas, books and technology that enrich, empower and connect every individual in our city's diverse communities.

3. Program Overview

Previously, LAPL established the Safety and Security Project to gather LAPL staff input and provide recommendations on what a safer and more welcoming library would look like. One of the reoccurring concerns was the need for alternatives to traditional law enforcement, specifically the need to assist troubled residents and connect them to the appropriate resources.

In Fiscal Year 2020-21, LAPL created the Library Experience Office (LibEx) to oversee LAPL safety and security. One aspect of this is the development and implementation of alternatives to traditional law enforcement, including:

Social Workers

The library is in the process of hiring Social Workers to engage with patrons who are in need of services such as housing, mental health, primary care, and substance abuse. The Social Workers will provide referrals to community service groups and available social programs; collaborate with local community groups, contracted agencies and other municipal agencies to identify and secure resources; and to promote awareness of available resources to library patrons.

Library Ambassadors

The library is in the process of establishing positions and hiring staff to act as Library Ambassadors to provide a more welcoming and safer library experience for patrons. The Library Ambassadors will greet patrons; answer basic questions about the library; engage patrons; de-escalate potential problems; encourage safe behavior; assist with programs and outreach efforts; and develop long-term solutions to address and prevent serious incidents.

Staff Training

The library is currently developing and identifying training programs to develop library staff in areas such as enhanced customer service, de-escalation, identifying social service needs and the availability of community-based programs for library patrons.

Social Service Outreach Contracts

This RFQ will allow experienced entities to provide mental health services and social services at the Central Library and 72 branch libraries; to promote awareness of available resources, provide training to LAPL staff; and identify social services needs and services available to those in need.

It should be noted that LAPL will continue to use the services of the Los Angeles Police Department (LAPD) to respond to emergencies and provide support during evacuations. This also includes the use of LAPD Security Officers and contract security guards for physical security needs, such as: ensuring all doors, windows and badge readers function properly, opening and closing buildings, provide fire-watches for branch libraries when fire or security systems are non-operational, and provide security for events and filming on library property.

B. SERVICES REQUIRED BY LIBRARY

Proposers selected by this RFQ to become Contractors must be able to provide mental health services and/or social services to meet the needs of patrons and LAPL. F. EVALUATION AND SELECTION PROCESS

1. Proposal Responsiveness

To be considered responsive to this solicitation, Proposers must submit completed responses to all items requested in this RFQ, including completed responses to the City's mandatory City contract compliance documents. Proposers are encouraged to utilize and submit the Proposer Checklist provided in Section H of this RFQ. Failure to include

satisfactory responses to each proposal item may result in the rejection of such proposals as non-responsive.

2. Proposal Evaluation

A panel of City staff and subject-matter experts will evaluate the proposals as described in this RFQ. Proposals deemed non-responsive will be disqualified and will not be evaluated. The review panel may request additional information to clarify a submitted proposal. The LAPL also reserves the right to waive any informality in a proposal when to do so would be to the advantage of the City and its taxpayers.

The review criteria will include: proposal quality and responsiveness to the criteria identified in this RFQ; experience and capabilities of assigned staff; Proposer experience and resources; compliance with City policies; and fees and expenses. The LAPL reserves the sole right to judge the contents of all proposals. Proposals, which at the discretion of the LAPL are incomplete and/or do not follow content and format guidelines, may be disqualified without further consideration.

To further assess the strengths and capabilities of a Proposer, the LAPL, at its sole discretion, may choose to conduct interviews and request oral presentations to provide additional information regarding qualifications. Such interviews may be reviewed and included as part of the proposal evaluation process.

Proposers bear the responsibility to ensure that the RFQ responses provide adequate and appropriate information and documentation for the LAPL to evaluate the responses relative to Proposer capabilities, strength of individuals performing project tasks, and proposed fees and expenses. Lack of adequate information and documentation may result in the proposal failing the evaluation criteria and being disqualified.

3. Evaluation Criteria

A selection committee composed of LAPL and other appropriate personnel will evaluate each proposal and the following criteria will be used in evaluating proposals and selecting the successful proposers.

Evaluation Criteria	Meets RFQ Requirements
Qualifications and Experience requirements	Pass / Fail

Proposers may appeal procedural issues only.

The procedure and time limits set forth in this section are mandatory and are the Proposers' sole and exclusive remedy in the event of a protest. Failure by a party originating a protest to comply with these procedures shall constitute a waiver of any right to further pursue the protest, including filing a Government Code claim or legal proceedings. At a minimum, any written protest document must include the following:

- Name, address, and telephone number of the protesting party.
- Name and number of this RFQ.
- Detailed statement of the legal and factual grounds of the protest, including copies of all relevant documents; and, reference to the specific portion of the documents that form the basis of the protest.

The City Librarian, or designee, shall make a final determination with respect to the protest and shall award or reject the contract accordingly. The decision of the City Librarian, or designee, shall be final.

A. PURPOSE OF REQUEST FOR QUALIFICATIONS

1. Introduction

The Los Angeles Public Library (LAPL) is issuing this Request for Qualifications (RFQ) to establish a list of qualified individuals or entities to provide mental health services and/or social services on an as-needed and as-requested basis. The services will be provided during open library hours at the Central Library or 72 branch libraries located throughout the City of Los Angeles (See Attachment E for list of library locations).

LAPL has embarked on a mission to reimagine security and safety at the Central Library and the 72 branch libraries and to provide outreach to the City's most vulnerable residents through the use of alternatives to traditional law enforcement. Contracts resulting from this RFQ will be an integral part of fulfilling that mission.

2. About the Library

Libraries are vibrant community centers with programs that turn young children into life-long readers, inspire teens to set career goals, and help adults enrich their lives. Annually, over 15 million people visit our libraries and participate in over 2,000 programs, borrowing over 15 million items from the collections of print, downloadable books, music, films and other items. Annual visits to our website exceeds 22 million.

Through its Central Library, the 72 branch libraries and website (www.lapl.org), LAPL provides free and easy access to information, ideas, books and technology that enrich, empower and connect every individual in our city's diverse communities.

3. Program Overview

Previously, LAPL established the Safety and Security Project to gather LAPL staff input and provide recommendations on what a safer and more welcoming library would look like. One of the reoccurring concerns was the need for alternatives to traditional law enforcement, specifically the need to assist troubled residents and connect them to the appropriate resources.

In Fiscal Year 2020-21, LAPL created the Library Experience Office (LibEx) to oversee LAPL safety and security. One aspect of this is the development and implementation of alternatives to traditional law enforcement, including:

Social Workers

The library is in the process of hiring Social Workers to engage with patrons who are in need of services such as housing, mental health, primary care, and substance abuse. The Social Workers will provide referrals to community service groups and available social programs; collaborate with local community groups, contracted agencies and other municipal agencies to identify and secure resources; and to promote awareness of available resources to library patrons.

Library Ambassadors

The library is in the process of establishing positions and hiring staff to act as Library Ambassadors to provide a more welcoming and safer library experience for patrons. The Library Ambassadors will greet patrons; answer basic questions about the library; engage patrons; de-escalate potential problems; encourage safe behavior; assist with programs and outreach efforts; and develop long-term solutions to address and prevent serious incidents.

Staff Training

The library is currently developing and identifying training programs to develop library staff in areas such as enhanced customer service, de-escalation, identifying social service needs and the availability of community-based programs for library patrons.

Social Service Outreach Contracts

This RFQ will allow experienced entities to provide mental health services and social services at the Central Library and 72 branch libraries; to promote awareness of available resources, provide training to LAPL staff; and identify social services needs and services available to those in need.

It should be noted that LAPL will continue to use the services of the Los Angeles Police Department (LAPD) to respond to emergencies and provide support during evacuations. This also includes the use of LAPD Security Officers and contract security guards for physical security needs, such as: ensuring all doors, windows and badge readers function properly, opening and closing buildings, provide fire-watches for branch libraries when fire or security systems are non-operational, and provide security for events and filming on library property.

NOTICE

On October 13, 2022, the Board of Library Commissioners authorized staff to repost the Request for Qualifications for Mental Health Services and/or Social Services (RFQ), previously approved by the Board on January 27, 2022, and include a rolling submission due date of December 6, 2022, to find additional qualified entities to provide mental health services and or social services to assist Library patrons.

Proposers to the RFQ are not required to wait until the due date to submit a proposal. As proposals are submitted, Library staff will review and evaluate and submit proposals that are found responsive to the instructions found in the RFQ to the Board for consideration to award a contract.

B. SERVICES REQUIRED BY LIBRARY

Proposers selected by this RFQ to become Contractors must be able to provide mental health services and/or social services to meet the needs of patrons and LAPL. Proposers must have a minimum of three years paid experience in working directly with people experiencing mental health issues, substance abuse issues, housing insecurity; linking patrons with the services they need; and/or helping patrons address the causes and consequences of their mental health issues, substance abuse issues, or housing insecurity.

The following are services that the LAPL desires. Proposers are NOT required to provide all of the following services:

1. Prevent Disruptive Incidents by Patrons

- a. Intervene with agitated patrons to prevent aggressive and assaultive incidents.
- b. Intervene with patrons to eliminate or reduce disruptive behaviors (e.g., inappropriate sexual behavior, indecent exposure, etc.).

Los Angeles Public Library
630 W. 5th Street
Los Angeles, CA 90071

Dear Los Angeles Public Library,

OUR MISSION

Rooted in Skid Row through music, community, and openhearted inclusion of the most marginalized members of society, Urban Voices Project (UVP) amplifies artistic expression to improve well being, strengthen social networks, and inspire individuals to be their own best advocates.

OUR PROPOSAL - "NEIGHBORHOOD SING" A Music Wellness Workshop:

Facilitated by individuals trained in trauma-informed care and in healing-centered engagement, Neighborhood Sing is the flagship of three workshop programs offered weekly at UVP's core Skid Row programs. This hour-long, interactive program consists of conscious breathing and wellness practices, vocal exercises, storytelling, and most importantly, community singing. A unique component of these music workshops is participant-driven group songwriting that invites participants to bring in stories, experiences and feelings through lyricism to address the social and emotional conditions in the space. Co-facilitated by trained facilitators at the program partner locations, Neighborhood Sing also features guided conversations that provide tools for improving social-emotional and physical wellbeing.

Neighborhood Sing would support several of the services requested by the library, including 2. Connect Patrons to Needed Services; 3. Develop and Present Training and Workshops that Address the Needs of Library Patrons; 4. Train Library Staff and Volunteers; 7. Increase Connections to Community Resources; 8. Increase the Community Resources Available Through the Library; and 9. Participate in Library Events to Enroll Patrons in Services Provided by Contractor. We would like to offer this workshop at library locations throughout the county. UVP also had a program held at Central Library from 2019-2020 that addressed these needs, and we would like to, at minimum, re-establish the presence of the Neighborhood Sing program at Central Library to address the immense social need at Central Library through UVP's innovative music programming.

The full scope of our proposal for Neighborhood Sing includes the following:

- 75-90 minute weekly sessions, including the 60 minute music workshop and a 15-20 minute conversational "check-in" after-session
- (8) six week session cycles through the year

- Weekly capacity for up to 25 participants
- 1-2 UVP Facilitators trained in healing-centered engagement leading the session
- “Share Out” on the 6th and final week of each session. This includes an open invitation for all patrons and staff to be a participatory audience for the singing group developed over each session to share what was learned. Typically to be held within the timeframe and space of the final workshop session.
- Evaluation with partner site for problem-solving and optimization of program based on partner and participant feedback
- 3-5 hours of shared strategizing for marketing and outreach, incorporating events and partners such as The Source and the Skid Row Coffee shop incentive program.

Skid Row is a very complicated geo-political phenomenon in Downtown Los Angeles in part due to the placement of resources; the Central Library is an important resource in the landscape of Skid Row. Central Library provides necessary amenities for residents of Skid Row, including such as computer labs, Tech2Go, printing, classes, and more, as well as a non-judgemental environment of respect and integrity for its patrons. Thus, the Central Library has become a haven for individuals seeking respite and dignity. While the library sits at the top of the 5th Street hill, down the hill and to the East is the public park Pershing Square, the only Metro station closest to Skid Row (still over half a mile of an uphill walk for Skid Row residents), and then a cluster of affordable housing buildings in Historic Core. Finally, one would arrive at 5th and San Pedro, a central cross street to the neighborhood of Skid Row. Many nickname the stretch of 5th street from Skid Row to the Central Library as the “Corridor of Poverty”.

Urban Voices Project is proud to serve the community on the Eastern side of this “corridor” with a Neighborhood Sing workshop at the Wesley Health Centers at 5th and San Pedro. Urban Voices Project would like to not only bring our successful programs back to the library, but also to serve both ends of this “corridor” while working towards a new narrative of resilience, healing, dignity and artistry.

As the LAPL expresses desires for support, Urban Voices Project firmly believes that a weekly Neighborhood Sing workshop can connect patrons to services by building trust and a sense of purpose in the space, leading patrons to have a stronger motivation. In a study done at Martin Luther King Hospital in South LA, we proved the transformative work of our workshops to increase positive affect, decrease in muscle tension, a new social bonding and connectedness as well as increased levels of openness (See the study here:

<https://drive.google.com/file/d/1of0RIiU2RhGdPRVVban2XqduG6wOX4PO/view?usp=sharing>). These attributes lead to patrons developing into strong self-advocates asking for services needed or schedule/attending social service appointments effectively.

In addition, Neighborhood Sing works both to provide a healing environment and social environment both for the patrons and librarians together. We strongly encourage librarians to participate shoulder to shoulder with their patrons in the workshops, increasing trust in each other as well as providing immediate short-term therapeutic support to patrons and staff alongside each other. The program brings individuals together regardless of skill level or musical background by maintaining an inclusive and educational atmosphere to express voice and music.

UVP's facilitators for Neighborhood Sing are trained in de-escalation techniques and restorative practices. To affirm our commitment to maintaining social and emotionally healthy spaces, we recommend two facilitators to staff each workshop side by side, along with an added program staff provided by the library, to maintain a Multi-Tier System of Support for patrons in larger groups above 6 or 8.

This innovative program would not only bring new artistry and expression to LAPL, but also a new avenue to create healing, develop social networks and support self-advocacy in patrons across the city of Los Angeles.

LAPL RFQ - "Urban Voices Project" Proposer Qualifications and Experience

OUR HISTORY

Urban Voices Project (UVP) was conceived in 2014 as an 8-week community partnership between the Colburn School and Wesley Health Centers founded by Colburn instructor, Leeav Sofer, and Wesley Community Outreach Coordinator, Christopher Mack. At the conclusion of the initial project, the co-founders recognized an ongoing need to bring the power of music directly to individuals marginalized by homelessness, mental health challenges, and unemployment, so they continued to provide programming on a volunteer basis. In January 2018, Urban Voices Project secured fiscal sponsorship and launched as a nonprofit organization, obtaining independent 501c3 status in October 2018.

UVP's community singing and music education classes provide opportunities for individuals in Skid Row to participate in creative collaboration, connect with a caring community, and engage with a choir dedicated to uplifting singers and listeners alike. Within the first year of operation, UVP incorporated Music Education classes into weekly programming. The following year, Managing Director, Kate Richards Geller, instituted Music Wellness classes with a focus on how to use music to change the state of the mind and body in practical ways to develop self-care life skills.

In 2018, UVP opened Neighborhood Sing, a drop-in community singing engagement workshop, to include everyone in the Skid Row neighborhood. This program became the heart of UVP and quickly expanded to satellite sites, such as Wesley Health Center's Recuperative Care Center at MLK Hospital, Los Angeles Central Public Library in Downtown Los Angeles, and Safe Place for Youth in Venice. In an effort to address the developmental needs of young children (0-5) experiencing homelessness, UVP began an early childhood music class at Union Rescue Mission which grew into a partnership with LA Care's Family Resource Centers in Lynwood and Inglewood.

UVP has experienced steady growth in participation since its inception. In the year prior to the COVID-19 pandemic, UVP welcomed thirty to fifty regular choir members. Another fifty individuals depended on drop-in classes as a support network, connecting them to healthcare and social services, including housing and employment. Dozens more were served at the satellite locations and more than 50,000 audience members attended over 200 concerts given by UVP's Performance Choir.

When COVID-19 forced the suspension of in-person programming, UVP continued to show up by pivoting all workshops, classes, and rehearsals to virtual platforms. UVP staff worked diligently with community partners to ensure tech access for program participants. All programming continues to be free

to our community and open to drop-in participation, and has continued without interruption through the course of the pandemic.

Community Resource Center

August 22, 2022

Dear Ms. Pickford-Four and Ms. Gomez,

I am pleased to hear that Urban Voices Project is submitting a proposal to provide their professional services to the patrons of the Los Angeles Public Library. The families that we serve at LA Care, Blue Shield Promise, Community Resource Center in Lynwood have benefited greatly from the Family Sing program that Kate Richards Geller has offered here since February 2019.

Family Sing, is a weekly Early Childhood Music class that uses music and play to address the developmental needs and societal challenges of our families with young children. Kate has created a joyful, loving environment for children and their parents to stimulate healthy relationships, regulate big emotions, and develop practical tools to prepare children for kindergarten. I can count on Kate to show up and offer high quality, developmentally appropriate programming, and to nurture relationships that shift the narrative of trauma, poverty, Adverse Childhood Experiences, and language barriers to a forward thinking environment of positivity and possibility for all.

During the quarantine, Kate and her team pivoted to virtual programming and continued to offer quality programming on a weekly basis. Now, finally, we are returning to in-person programming and making plans to expand to other sites within our LA Care Blue Shield Centers.

I recommend Kate and her team at UVP to provide their unique and accessible music workshops at the LA Public Library. The joy, love, connections and possibilities that result from their work make lasting changes in the participants and have the potential to make a meaningful impact on our community.

Sincerely,

Margaret Coins,

To whom it may Concern:

It is my pleasure to provide this letter in support of the Urban Voices Project (UVP). During my time as the Programming & Outreach Manager for the Los Angeles Public Library's Central Library, I worked with UVP on a weekly program titled, Neighborhood Sing. Neighborhood Sing ran from spring 2019 through March 2020, when the pandemic forced us to close the library and cancel programming. During the year that worked together, most sessions averaged around 20-25 people in attendance and each cycle would end with a performance in public space within the library (such as the Rotunda or Skid Row Coffee).

Leeav Sofer and his team at UVP were such wonderful people to work with and truly demonstrated care for and understanding for the Skid Row community that resides just a few blocks away from the Central Library. Using music as a healing tool, each week this group would gather, including myself, to sing in a meeting room for about an hour and a half. We all started Neighborhood Sing as strangers but in that room we got to know each other, shared stories and built a connection around singing.

I appreciate all the work that UVP has done to assist the Skid Row population through music. UVP is also a great connector that works on ensuring those that need additional services find them. UVP gives an often overlooked segment of our residents a safe space where they can gather with *everyone* in their community to share a love a music with dignity, respect, and friendship.

In my current position as the Branch Library Director, I would love an opportunity to work with the Urban Voices Project again to bring their unique and impactful style of community-building to branches around the Downtown Los Angeles area. I am pleased to provide my full support without reservations.

Best regards,

Joyce Cooper

safe place for youth

Dear Los Angeles Public Library,

Urban Voices Project has been partnering with Safe Place for Youth since 2019 bringing their inspiring and informed music teachers to our clients here in Venice. We have had a mix of group programming and private voice coaching culminating into community performances for our members and donors. These performances inspired our clients to keep coming back and developing their artistry.

Beyond this success, having social service resources and arts in the same space has had an incredible mutual benefit. When clients come for services, the convenient arts programming provides a sense of self, expression and education. When clients come for arts programming, they have access to their services we provide such as clothing, hygiene, case management and more. Due to convenience, they take advantage of these services more frequently helping our clients to be their best advocates.

Urban Voices shows their innovative prowess in their willingness to adapt and develop their programs in partnership with our clients' needs as well as within the structures of our organization. They will do well to have their programs in the library system throughout Los Angeles and I can't recommend them enough.

Please feel free to reach out if you should require any additional information.

All my best,

Sarah Boehmke

To the Los Angeles Public Library,

Wesley Health Center has been the homebase of Urban Voices Project since 2014 when they first started to share the healing power of music with the Skid Row community, first at JWCH medical clinic, then at the *Corner of Hope* on 5th & San Pedro, then virtually during COVID, and most recently in our new warehouse. JWCH was the first home of ***Neighborhood Sing***, the program they propose to offer (again) at LAPL.

Since the very beginning, UVP has shown up weekly to serve our patients with care, compassion, joy, and love. It started out as a pilot program in collaboration with Colburn Music School; the founders, Leeav Sofer and Christopher Mack, remained consistent and passionate about group singing as a direct way to connect with and inspire our patients to become their own best advocates. In addition to choir rehearsal, Neighborhood Sing workshops, and music "labs" in education and wellness, UVP has been the featured performer at many of our annual galas!

As a satellite project, UVP offered a ***Neighborhood Sing*** workshop with the patients of MLK Recuperative Care Center. We had eight 6-week sessions starting Spring 2019 until COVID stay-at-home orders in March 2020. This project had such a powerful impact on the patients and staff that they continued singing together on their own in between sessions.

The mental and physical health benefits of singing are well documented in peer reviewed literature. Seeing and hearing the transformative nature of music in the clinics, on the sidewalk, and on stage, has been meaningful to our staff. There is a great sense of hope in the warm welcome and sense of belonging that UVP extends to each and every individual who enters the room.

It has been a sincere pleasure to host this group over the past 7+ years and I am happy to share with you my highest recommendation for the Urban Voices Project to offer a program at the Los Angeles Public Library.

Re: Letter of Recommendation- Urban Voices

To Whom it May Concern;

I enthusiastically write this letter of recommendation on behalf of Urban Voices. I have had the privilege of witnessing the diverse strengths and capacities that this organization brings the Skid Row community. As the Behavioral Health Director at JWCH Institute, Inc I have had the pleasure of sharing space and partnering with Urban Voices in a variety of ways. Witnessing the immersive music experience of the participants during Neighborhood Sing workshops, for example, reflects the celebration of diversity, fundamental connection, and the healing capacities that music brings. This organization leads by example on a day-to-day basis, addressing the needs of a community that is disproportionately impacted by poverty, medical and mental illness, substance abuse, and homelessness.

Urban Voices is a shining example of community advocacy and growth. The staff work collaboratively with the community and partners in Skid row to create spaces that are at the forefront of boosting the community and the collective voices through music. Therefore, I enthusiastically provide this letter of recommendation for Urban Voices. Should you require more information please contact me at hsandoval@jwch.org.
